I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

III. STATEMENT OF CLAIMPlace(s) of occurrence: New School for Social ResearchDate(s) of occurrence: 04/08/16 → ~~04/08/16~~ Current**FACTS:**

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

I am a ^{born 1993} ~~23~~ (twenty & three-year-old woman, (June 03)

I assert that as a University and Dean's Scholar in the '15-16 school year, I was intending to continue at the school all 5 years for a PhD degree not just a Masters. I paid the New School excess money for a 2-year Masters. I achieved a 3.77 and 4 high passes on spoken and written exams, in addition to writing a Masters thesis that was published worldwide.

As I was enrolled in 3 classes the Spring '16 semester, the school randomly shut down my email for responding to larceny on the part of the nephew of the county clerk of Wallingford, Vermont who was part-Italian like Jennifer Francione. I was also placed on academic probation while achieving A's in my classes which ultimately lowered my G.P.A. to 3.3 (I was falsely accused of offensively harassing a person I did not know.)

I was crying suicidally in the library of New School and applied to the Friedrich Nietzsche Society instead of jumping out the library window.

My grandfather died as I was the victim of a fictitious and perjured order granted at Newton, in Massachusetts, where I was never present. I come from a professor and doctor's family - My grandfather was a C.E.O. I am the eldest grandchild.

I happen to be the only non-biologist in my family. According to Gene Puro de Leon, I was accused of "harassing" 2 non-students (Wells and Cook - the latter my ex-boyfriend). I must now pay the European Graduate School \$30,000 in Federal Loans for a PhD. I could not get into PhD programs in my field of choice here at a U.S. citizen, as a result of Jennifer Rancourt and Carolyn Wells, a lesbian's spiteful antics toward me.

I am \$69,750 total in debt as a result of the New School not semiproving scholarship raise. I could so continue there being paid \$15,000 for a stipend but I must pay to do a PhD as a profoundly gifted person.

INJURIES: I was traumatized by my occurrence of false accusations. If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received. Carolyn Wells ^{repanding harassing}

I paid Jared Russell \$850-900 in therapy for chronic ^{anxiety} ~~depression~~ and I might be a sociophobic. I am a translator of Korean & I work a freelance writing job. According to my professor and Head of Iptar, Alan Bass, PhD in Clinical Psychology, I might be mildly schizophrenic or have very slight PTSD.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

\$2 million — \$5 million for damages OR wipe of my loans federally because my condition debilitates me.

V. PLAINTIFF'S CERTIFICATION AND WARNINGS

By signing below, I certify to the best of my knowledge, information, and belief that: (1) the complaint is not being presented for an improper purpose (such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation); (2) the claims are supported by existing law or by a nonfrivolous argument to change existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Federal Rule of Civil Procedure 11.

I agree to notify the Clerk's Office in writing of any changes to my mailing address. I understand that my failure to keep a current address on file with the Clerk's Office may result in the dismissal of my case.

Each Plaintiff must sign and date the complaint. Attach additional pages if necessary. If seeking to proceed without prepayment of fees, each plaintiff must also submit an IFP application.

The book discusses the exact nature of will to power in the overcoming of tragedy through the soulful forces (Macht) of the psyche. From The of Tragedy, to Genealogy of Morals and at last The Will to Power, Nietzsche's works address the willful strength of psyche (Spirit) as fundamental to, and more central to Life than the sheer reactive force of nihilism and strength of body alone [Kraft]. Along with the cosmological and metaphysical, historiological, ethical, and sociopolitical questions and implications of the Eternal Return, the book discusses various ways Nietzschean Will to Power (Wille zur Macht) has been misunderstood or misappropriated by fascism. Passive and active nihilisms are tied to various defense/coping mechanisms, including Sublimation as a valid coping mechanism, or as a way to overcome the hardships of tragic existence.
